

Egg & Cheece

a duet for two tenors by Hannah Cai Sobel

Program Notes: *Egg & Cheece* is a love duet. The two vocalists are in love. Ask questions as you listen. What is egg? What is cheece? What is love?

Performance Notes: Interpret the words, gestures, and interactions as you feel fit. All rhythms and time durations are just a suggestion, as long as the two tenors loosely overlap enough so that the notes and harmonies are accurate. The piece should feel ethereal. What is egg? What is cheece? What is love?
